A HERO GROUP INITIATIVE

International Conference on Computational Partial Differential Equations and Applications (ICCPDEA-2022)

September 6 - 8, 2022

The International Conference on Computational Partial Differential Equations and Applications (ICCPDEA-2022) is being organized by BML Munjal University, Gurgaon. The ICCPDEA-2022 aims at bringing together leading researchers from academia, industry and laboratories from across the world, working in the field of Computational Partial Differential Equations (PDEs) and Applications. The goal of the conference is to promote research in Mathematical and Computational aspects of Partial Differential Equations. The ICCPDEA-2022 will provide opportunities for networking and collaborations in the interdisciplinary field of Partial Differential Equations, Computational Algorithms and Applications.

The ICCPDEA-2022 will also honor Prof. A.K. Pani (IIT Bombay) and Prof. Carsten Carstensen (Humboldt Universitat, Berlin) on the occasion of their 65th and 60th birthday respectively. The conference will feature plenary and invited talks from eminent researchers, practitioners, senior mathematicians and scientists from India and abroad. A number of contributed talks and posters will also be presented by the young researchers in the conference.

Deadlines

Registration Starts: **June 27, 2022**

Abstract Submission Starts: **June 27, 2022**

Last Date for Abstract Submission: **July 24, 2022**

Acceptance Notification: **August 07, 2022**

Last Date of Registration: **August 31, 2022**

Registration Fee

Faculty: Rs. 5000/-

Industry Participants: Rs. 5000/-

Post-doctoral Researchers: Rs. 3500/-

Ph.D. Scholars: Rs. 2500/-
